Forest Fires Raging—Revival Services.

MONTEREY, Va., October 28.—(Special.)—The worst forest fires known for years are raging throughout the mountains of this section of the two Virginias. The members are: Grand Master B. T. Duke, Right Worshipful K. Kemper, John Daniel, Thomas S. Martin, Micajah Woods, Most Worshipful A. R. Courtney, and Most Worshipful Mann Page.

The District members are: Grand Master John H. Small, Past Grand Master James A. Sample, Past Grand Master Myron M. Parker, Past Master C. K. Berryman, Past Master William Brown, Worshipful Benjamin W. March, and Alison Nader.

A NEW GRAND MASTER.

A revival service is now in progress at the Methodist church in this place, the pastor, Rev. T. G. Nevitt, being assisted by Rev. P. R. Nugent, evangelist, of Richmond, and Rev. H. T. Heironimus, of Hot Springs.

Mr. W. C. Grinstead, of Albemarle, has been installed as clerk in the store of V. B. Bishop.

Jasper L. Fox, of the Dry Branch Valley, has sold all of his personal property and real estate, and will move to Lewis County, W. Va. Mr. A. J. Terry, of the same locality, became purchaser of the farm at \$1,000.

Mr. L. H. Stephenson and wife are visiting their little daughter, Jannette, who is a pupil of the Lewisburg Seminary.

Hon. Jacob Yost, of Staunton, spent last night in Monterey, en route for the bustling county of Pocahontas, W. Va., through which a railroad is now being built.

Mr. James W. Sipe, a Highland boy, and for several years a postal clerk, has been promoted to the position of chief clerk of a division, at a salary of \$1,200 a year. His headquarters will continue to be at Washington.

Mr. James K. Cheneapeake and Ohio agent at Staunton, accompanied by Miss Elizabeth Atkinson and Adele Vantz, spent two or three days in Highland, and this week.

SAW-MILL BURNED.

Forest Fires—A Sad Death—Crushed.

TAZEWELL, Va., October 28.—(Special)—Forest fires have been burning freely in this section for ten days, and fences and timber have gone with the fire. On last night the saw-mill of Messrs. Adams Brothers, in Thompson Valley, was entirely destroyed by fire, it having become ignited from the burning brush. The vast amount of lumber which was stored only about one hundred feet from the mill was saved. The mill was without insurance, and the damage is estimated at between \$3,000 and \$4,000.

A sad death occurred near Swords Creek, in Russell county, on day before yesterday, the victim being Mr. Oscar

The services at Mount Vernon will be unusually impressive.

Immediately after arriving there the entire party will assemble at Washington's manor house and march to the old tomb, where a solemn service will be held. Bishop Randolph will preside over the ceremony marking the grave of Washington, who was a distinguished Mason and was buried with the rites of the order. In the afternoon the party will return by boat.

At night a reception and buffet banquet will be held at the White House, President McKinley, who is a Mason, will probably head the line at the reception. In the line will be all the Grand Masters present and their wives.
